

THE ITALIAN HALL EVENTS CENTRE C-19 RISK MITIGATION PLAN

MISSION STATEMENT

At The Italian Hall Events Centre, we're committed to the safety and wellbeing of both our staff members and our guests. In the interests of ensuring that our facility is a healthy and low-risk environment, we've developed and implemented the following rules and guidelines.

PROTOCOLS & PROCEDURES

- You will find a list of C-19 symptoms posted at every entrance to our complex. If you are experiencing any of these symptoms, please refrain from coming inside.
- If you're symptom-free and you've entered the building, kindly take advantage of the hand sanitizer provided. Should you prefer to wash your hands with soap and water, please proceed immediately to one of our restrooms.
- The wearing of face coverings is strongly encouraged at all times and in all areas of our venue.
- We ask that, whilst you're inside The Italian Hall Events Centre, you maintain a distance of two metres {or six feet} from all other individuals. If your event involves sitting in chairs or at tables, these items will be spaced appropriately.
- Gatherings will, under no circumstances, be attended by more than 50 people. No alcohol will be served, no dancing will be permitted, and {by order of Island Health} no loud music will be played. {C-19 transmission occurs more easily when people are raising their voices to be heard.}
- If food and drink is made available, it will be offered in accordance with the relevant restrictions. The use of devices that encourage congregating {communal coffee urns, for instance} will be strictly monitored.
- The premises will be cleaned and disinfected before and after each function. High-touch surfaces {eg. door handles} will also be sanitized during events.
